### **New Officers Should Be Installed!!**

All subordinate Lodges should be holding regular meetings! Your executive committees should be meeting to plan your calendars for 2021 as you get your lodges fired back up and on track and begin planning on signing up candidates for the Rathbone Celebration on February 20th! You should of held your election of officers in December and your new officers for the 2021 term should be installed before the end of January.

### **A Card of Thanks!**

Faith Harvest Food Pantry truly appreciates your donation to the food pantry. Its been a hard year. Thanks for making it better!  
Linda Deardorf, Director.

Thank you so much for your generous contribution to our food pantry. It is through the many gifts from the community that we are able to continue serving food to those in need on a monthly basis. This has been a challenging time trying to ensure a safe delivery of the food – safety for our workers and for the recipients. But we have persevered because of the support from groups like yours. Your donation is especially timely as we anticipate Christmas giving. Again, Thank you.  
Butler United Methodist Church Food Pantry

### **A Note of Apology**

I do want to sincerely apologize to any of my Brothers or Sisters who were offended by the guest editorial opinion in the December PSN. The subject of COVID 19 and the pandemic is a very touchy subject and everyone has their own opinions on the subject, which is a very serious subject to say the least. With that being said, the PSN will not in any way, shape or form, mention that subject in the future. Period. Denny Adams, Editor

**MARCH CONVENTION POSTPONED!!**

*Your convention on MARCH 11, 12 & 13 has once again been POSTPONED!! Due to the Indiana Health Department restrictions and Governor Eric Holcomb's restrictions on meeting sizes, we have no choice but to again postpone the 2020 Grand Lodge Convention. A new date will hopefully be decided upon at the Grand Council meeting on February 13<sup>th</sup>, 2021.*

**Rathbone Celebration Coming February 20th!**

Grand Chancellor H. Wade McIntosh has announced that the Rathbone Celebration is scheduled for Saturday, February 20, 2021 in the spacious confines of Crescens Lodge #33. That leaves plenty of room to social distance if necessary. The Rank work will begin at 12 noon. The Rathbone Bible has been secured for the event and will be used for the obligations. One candidate has been signed up already with hopefully many more to come. Remember, those membership incentives are still up for grabs and that \$1,000 bill can still be won by someone who signs up at least five candidates during Grand Chancellor McIntosh's term. Remember, that term continues until we have a Grand Convention and elect new officers. There is plenty of time to sign up five new Knights and become eligible to win the \$1,000 CASH first place prize!! Those Pythian jackets are stunning and really feel good in the cold Indiana winds...sign up 4 and get yours! Will you go see the Colts play in 2021...go to a bed & breakfast weekend...put some cash in your pocket??? Help the Order grow here in Indiana! We are the THIRD largest domain in America! ## Hymera Cemetery Sign Project Comes to Fruition

The attached photo is an example of an opportunity to publicize, as they are often referred to, 'the KP cemeteries'. In the process to get the brand out there so we do not constantly have to explain who WE are. My thoughts are to, with all of the membership's help, locate the cemeteries and when possible place a sign with similar information, especially along well traveled thoroughfares. The attached photo is along state road 48 a well-traveled east west road in south central Indiana.

While much of what I wanted to achieve we have not been able to accomplish due to the current restraints, this is something we can do now and in the future. I am having our IT folks monitor for any increased interest on our web page as a possible result of the sign.

I do know that several folks have been newly made aware of US just from the procurement process. When you run into Don Hockman of Worthington 253 give him a big handshake as Don did all the heavy lifting on this endeavor and did a fabulous job!

As an aside, the photo was taken by my granddaughter Marisa McIntosh. Why you may ask yourself should you care. Marisa is a Scientist with degrees in Chemistry, Math and French. The entire Grand Lodge of Indiana has an interest in that Marisa was a recipient of the Grand Lodge scholarship program to help get those degrees. I don't think as an order we always appreciate that the scholarship program is maybe our finest endeavor, until we know someone who has benefited from it.

Special thanks to the Grand Lodge of Indiana for being on board with this project!

Please send any remarks to GS Denny.
